The Vendor shall at all times indemnify the Auctioneers in respect of such information being supplied to the Vendor. The Auctioneers will endeavour to have all Catalogue information correctly stated, but the Vendor is responsible for the correction of any error or omission. These Conditions of Sale provide the basis for the contract between Vendor and Purchaser. Where veterinary examination is requested and the lot successfully passes such re-examination procedure the sale is concluded at that time subject to the following important conditions.
[a] Any Lot which is a habitual wind-sucker, weaver or box walker or has been unnerved or has been tubed or otherwise operated on for unsoundness in wind or has shown any evidence of sweet itch and is not so described is returnable in accordance with Condition 3 (iii) hereof.
[b] A Lot is not sold at the time of sale as a Colt and does not at such time have two testes descended to the scrotum or is described at the time of sale as a gelding and is at such time a colt or rig is returnable in accordance with Condition 3 (iii) hereof.

(iii) If the Purchaser of any Lot sold with a Pedigree or description contends that it does not correspond with such Pedigree or
description, or if he contends that such lot is afflicted with vice as set out in Condition 3 (ii) [a] above then he must notify the Auctioneers within seven days from the last day of the sale at which the Lot was purchased specifying exactly the nature of the complaint that the Purchaser makes in respect of the Lot Purchased. Failure to so notify the Auctioneers shall defeat any right or remedy the Purchaser may otherwise have pursuant to these conditions or otherwise. The Auctioneers shall then nominate a Veterinary Surgeon or other expert to investigate the purchasers contention and the decision of such Veterinary Surgeon or expert shall be binding on vendor and purchaser. In the event that a Lot is returnable by reason of the matters arising herein, the Vendor shall pay to the Auctioneers the cost to the Auctioneers and to the Purchaser of returning the Lot and the amount of any payment under this Condition payable to the Purchaser shall be fixed by the Auctioneers whose decision shall be final and binding on all parties.

(iv) Should any dispute arise between a Vendor and a Purchaser as to any of the matters referred to in the Condition 3 (iii) hereof, it shall be adjudicated upon by the Auctioneer at such time and in such manner as the Auctioneers in their absolute discretion shall think fit and their decision shall be final and binding on all parties. All expenses and charges incurred by such adjudication shall be borne by the party found to be in error. The Auctioneers shall not be liable as a party in any dispute between the Vendor and Purchaser or in any legal action arising thereout.

4. VETERINARY CERTIFICATES AND RE-EXAMINATION (For this Sale see Pages 17-21):

(i) A Lot may be offered for sale in the manner following:

[a] As it stands – meaning that the Lot is sold at the fall of the hammer without a veterinary certificate or right of re-examination.

[b] Subject to re-examination – in which event, the Purchaser shall be entitled to have the Lot examined in accordance with Paragraph 4 (ii) hereof.

[c] With the benefit of a Veterinary Certificate – meaning that the Lot shall be sold in accordance with the terms and conditions recited in Paragraphs 4 (ii) and (iii) hereof.

(ii) Where a Lot is offered for sale with a veterinary certificate it must be a veterinary certificate from a panel of approved veterinary surgeons nominated by the auctioneers. It shall be the Vendors responsibility to ensure that this Certificate is lodged with the Auctioneer not later than one hour before the expected time of sale. The Certificate shall be available for inspection by prospective Purchasers and may subsequently be read out from the Rostrum at the time of sale. In the event that a Certificate has been mislaid or is not available for any other reason at the time of sale, the Auctioneers may in their absolute discretion decide to postpone the sale or not offer the Lot for sale. In any event, the Auctioneers shall not be held liable to any party by reason of the non-production of the Veterinary Certificate.

(iii) Once a Lot is purchased, the Purchaser must notify the Auctioneers within 30 minutes of purchase if a re-examination is required. In such event, the Auctioneers shall arrange for such re-examination at the expense of the Purchaser and such re-examination will be performed by a member of the panel other than such member who has furnished the original Certificate and the opinion expressed on re-examination shall be final and binding on all parties. If on such re-examination a defect is apparent in the lot and such defect has not been referred to in the original Veterinary Certificate and the member carrying out such examination is of opinion that such defect is of practical significance, then the purchaser may repudiate the said sale. The decision of the member of the panel who has carried out the re-examination as to the significance or otherwise of any defects disclosed on such examination shall be final and binding on Vendor and Purchaser.

(iv) A Lot remains at the Vendors risk until completion of the re-examination procedure. Once re-examination has been completed and the Lot has passed such re-examination, such lot is then held to the purchasers risk. Following sale of a Lot by auction or privately, it shall remain the Vendors responsibility:

[a] To ascertain if re-examination has been requested and

[b] To present such horse for re-examination.

(v) Save as herein before provided no Lot shall be returnable.

5. BLOOD TEST

The purchaser of all Lots will have the right, within 30 minutes of the fall of the hammer, to request a blood analysis, to detect pain killing, anti-inflammatory or performance altering drugs. If the result is positive the animal is returned and the Vendor shall be barred from all future performance sales.

6. PAYMENT:

Payment to Vendors or their authorised Agents, will be made 30 days after the sale in respect of those animals where payment has been received from the Purchaser. In the event of a defaulting purchaser, the Auctioneers shall not be held liable or responsible for any deficiency which may arise on the resale of an uncleared Lot. The Auctioneers shall use their best endeavours at all times to ensure the completion of a purchase to the mutual benefit of the Vendor and Purchaser. The Auctioneers shall in their absolute discretion decide the terms and conditions under which a Purchaser shall discharge his payment for any Lot purchased. In the event that the Auctioneers are for any reason unable to secure payment from the Purchaser then the Auctioneers shall not be held liable by the Vendor for the purchase money or any part thereof.

7. DISPUTES:

Subject to the foregoing Conditions, the Auctioneers act as the Agent of both the Vendor and the Purchaser and to this end, the Auctioneers shall use their best endeavours to act to the mutual benefit of both Vendor and Purchaser. In the event that any dispute arises for whatever reason as between the Vendor and the Purchaser, then the Auctioneers, the Vendor and the Purchaser shall be bound by these Conditions of Sale. The Auctioneers shall not be liable to the Purchaser or to the Vendor in any manner howsoever arising from the sale of any Lot and in the event of any dispute arising in relation to any Lot, the Vendors remedy shall be against the Purchaser and the Purchasers remedy shall be against the Vendor. In the event that a dispute arises as between Vendor and Purchaser as to the sale of any Lot before the Auctioneers have paid over any purchase money, the Auctioneers on being notified of the said complaint and dispute between the parties, shall lodge any purchase money in their possession in an interest bearing Deposit Account until such time as the dispute is resolved as between the Vendor and Purchaser they both acknowledging to the Auctioneers that the matter has been so resolved. It shall be the obligation of the Purchaser to pursue the resolution of the dispute and in default of prosecution of same, the Auctioneer shall, on notice to the Purchaser, be at liberty to pay out to the Vendor any money held on foot of the Purchasers complaint, and shall do so unless the Vendor produces evidence to the Auctioneer that legal proceedings have been commenced. In the event that a Vendor or Purchaser initiates legal proceedings, the Auctioneers shall be bound by these Conditions of Sale and by any Order of Court in relation to the matter.

8. COMMISSION AND AUCTION FEE:

On the sale of a Lot commission shall be paid to the auctioneer at the rate of 2.5% of the sale price to be paid by the vendor and the rate of 7% of the sale price to be paid by the purchaser. A similar charge will be made for any Lot disposed of between the date of publication of the Catalogue and one week after the date of sale. Full commission is to be paid by the Vendor to the Auctioneers in respect of any Lot returnable and/or returned.

“I’m delighted with the two Go For Gold horses I have in the yard. I paid my first visit with an owner last year and feel that the one we bought is potentially top class.”

Izzy Taylor (British international rider)

“There was a wonderful selection of horses at the auction, and I bought a phenomenal horse at a fantastic price. I really enjoyed the whole experience. It was great to see so many quality horses all in one place – and to end up buying one at such good value was a huge bonus.”

Boyd Martin (USA event team rider)

“All the horses I have ridden or come across have been good horses, without a shadow of a doubt. The really good horses make a premium, but there are definitely deals to be had. I have a great deal of faith in the veterinary panel. You can have sensible chats with the vets and can email the vettings and the X-rays to your own vet for their verdict. I also have a lot of faith in the team – especially Sally Parkyn and Martin Donohoe. They are leaders in their field.”

Jonty Evans (International Event Rider and producer and rider of Cooley Rorkes Drift)

“I’m an amateur event rider with big dreams. Year after year the horses that I have sourced through the Go For Gold sale have been genuine, talented and kind spirited. I have recently sold one to Lucinda Green – I never imagined that I would be in the position to sell a potential top horse to one of my idols – truly wonders never cease!”

Kelly McCarthy Maine

“I have bought three horses at the Go For Gold sale for owners and have been delighted with all of them. It saved me searching the country, as I knew that the expert panel would identify top quality stock. The sale has superb trial facilities and is professionally run – I would highly recommend it.”

Joseph Murphy (Irish Olympic rider)

“The Go For Gold Sale always has a super selection of horses so is essential viewing for event riders in the off season. Our Go For Gold graduate Big Berry is a fantastic jumper with lots of blood and a great mind. He has stepped up to intermediate level really well this season and I’m looking forward to him progressing through the grades next year.”

Tom March and Piggy French (British international event riders)

“Gorsebridge is an extremely professional operation, and that has been an ingredient for its success. I can’t say enough good things about the organisation of it.”

Ruthie Meyer (International agent)

“The Goresbridge Go For Gold sale in November has become a firm date in my diary. I have sourced a top class horse from the sale, which I consider to be very professionally run and always a great night out.”

Oliver Townend (British international rider)

“I bought Kilcannon Harley Cruise as a 4yr old from the 2013 Go for Gold sales. He is undoubtedly a true 4* horse. He has unbelievable scope and a fantastic temperament. He is so exciting for the future.”

Fiona Breach (British international rider)

“A professionally run and marketed sale – and one that we are proud to support.”

Richard Sheane (Cooley Horses International)

“The fact you can see all the horses jump and go across country over fantastic facilities was excellent. This coupled with being able to try them means I shall be back – its also a much more enjoyable way to view 60 horses!”

Sharon Hunt (Olympic bronze medallist)

“The best of fun – a chance to really study young Irish horses – fascinating.”

GORESBRIDGE Horse Sales and the Go For Gold Team are delighted to present this catalogue for the eigth renewal of the Go For Gold sale.

In 2017 we are proud to record that we have a number of established performers at the top level of the sport, while the youngsters are making a real impact on the results. Our first Olympian, Cooley Rorkes Drift continues to impress, as does the younger Cooley SRS who represented team GB at the European championships in Strzegom. The American based Copper Beach (Bruce Davidson Jnr) followed his 2016 win in the CCI*** at Rebecca Farm, with further victories at CIC3* and advanced level, and Sacramento is successfully back on track following his top three placing in the CCI3* at Bromont.

On home turf November Night was clear at her first Badminton and placed tenth at Blenheim CCI3* this year, and flying the Goresbridge flag in the best way, the much admired five-year-old Poynstown Stonehaven ridden by Tracy Walshe won the Burghley Young Event Horse Finals.

With these successes in mind, Martin and Mary Frances Donohoe of Goresbridge are delighted to welcome selectors Sally Parkyn, Clare Ryan and Chris Ryan back on board.

Acknowledged worldwide as finders and producers of some of the sport's most recognisable equine names, the trio were this year joined by the British four star event rider Nicky Roncoroni and Bridget Speirs, mother of Ireland's Olympic rider Camilla. Both are well known in the sport as astute spotters of talent, and have proved a welcome and valuable addition to the team.

The equestrian complex at Barnadown, Co Wexford provides outstanding trial facilities. The purpose built international show jumping centre has two all-weather competition arenas, a championship grass arena as well as an all-weather cross-country track.

The evening auction will be staged five minutes down the road at the Amber Springs Hotel, an award winning four-star hotel and spa.

As always, your hosts Martin and Mary Frances Donohoe extend a warm welcome to patrons old and new.

Back row (l.-r.): Chris Ryan, Martin Donohoe. Front row (l.-r.): Clare Ryan, Sally Parkyn and Mary Frances Donohoe. Inset are guest selectors Bridget Speirs (left) and Nicky Roncoroni.

YOUNG EVENT HORSE SERIES

It is an abbreviation of Future Event Horse League. This is a series of competitions introduced in 2000. The overall objective is the development of skills and talent of the best type of Irish bred horse educated, prepared and tested on route to the higher levels of international eventing. Graduates from this series include: Private Heart, Ballynoe Castle RM, Cavaldi, Bru Maguire, Annestown Emperor etc. etc.

ROYAL DUBLIN HORSE SHOW (RDS)

In 2006, The RDS introduced a class also aimed at identifying high class Irish bred horses with the potential to become top class ‘three day eventers’. Prizewinners from the first six ‘fehl’ classes qualify for this competition. Both 4 and 5 year old sections are judged over two days with presentation on the flat and over rustic fences are followed next day by a demanding ‘derby’ track in the ‘main arena’. High calibre judges from the eventing world form a panel to adjudicate these classes. This year’s classes, for example, were judged by Lucinda Green MBE, Leslie Law and Jason Webb.
